Ted Kuntz
Ted and his family became one of PLAN’s first younger Lifetime Members and he has grown to become an active part of PLAN’s corps of volunteers. He served on the Board of PLAN for many years as President. Ted is a psychotherapist in private practice in Vancouver.

He is also the published author of Peace Begins With Me and his successful workshop “The Joy of Stress” has been presented across Canada to corporations large and small.

Ted embodies the spirit of community, which is in fact the name of the award he has established to honour community contribution in the Tri-Cities area. His community activism has won him many awards.
