CLOTHING DRIVE

It's never been easier to make a difference in the lives of children with disabilities. Host a donated clothing drive at your work-place!

DONATE:

Clothing - Accessories - Shoes - Bedding - Towels

How does the Clothing Drive work?

All donated clothing is bought by Value Village & the money goes to support children's programs at the Burnaby Association for Community Inclusion (BACI). Donating clothing also keeps items out of landfills & creates employment for people with disabilities on BACI's donation pick-up team.

Who is BACI?

BACI is a non-profit organization that provides innovative services to over 1,000 children, youth and adults with disabilities and their families in Metro Vancouver. Through our children's programs, we support kids to develop to their full ability.

We hope you'll join us in making a difference in the lives of children with disabilities!
